When to call?

Each eligible FANZ member business can access up to 3 calls per calendar quarter, subject to reasonable use. Unused calls don't roll over.

What MyHR Advice Line does not cover.

The **MyHR Advice Line** is designed to give you an initial steer, rather than manage an HR matter for you.

It doesn't include:

- ✗ Drafting, reviewing or amending employment or HR documents
- ✗ Managing formal disciplinary, performance, grievance or restructuring processes
- ✗ Legal advice or representation

If a matter needs more detailed or ongoing support, your MyHR expert may recommend an appropriate HR service, specialist or legal adviser. Additional fees may apply.
